Thanks Katie. I left a message for him with the receptionist, who indicated that he was not working this week and that she would contact him by phone to let him know that I called. I haven't heard back from him but will call first thing on Monday morning. Tom

Thanks for following up, Tom. I replied to Kevin on Friday and left a VM for him, but haven't heard back yet. Hopefully one of those dates will work for them.

Katie,

Good morning, I am looking to coordinate on scheduling a 2<sup>nd</sup> follow-up meeting for the 404 consultation. Some of the action items we left pending for further discussion. Let me know if we have a timeline or any possible dates available to bounce around. I know some of our folks will be available the afternoon of Dec. 2. Just let me know and I can save some tentative dates.

Thank you,

Hi Kevin,  
Our Regional Administrator and Water Division Director are only available at 3 pm on October 8 for the consultation on Florida's 404 assumption. Would 3-4:30 pm work for y'all? If not, we can try to find another morning.  
Thanks,  
Katie
